

## A Company That Matters

- Founded in 2008
- Woman Owned Small Business
- Minority Native American Owned
- HUBZone
- QMS Based
- Engineering Focus
- Metric Driven
- Financially Strong
- Robust Infrastructure
- eCommerce Ready
- Industry Recognized Leadership

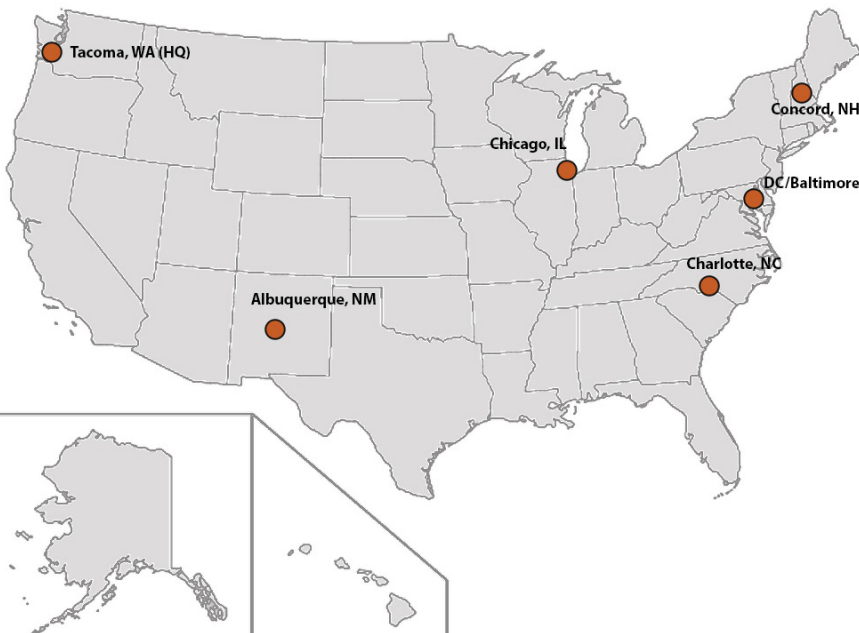

## Certifications

- SAM Registered
- Cage
  - 82NZZ
- DUNS
  - 021193604
- AS9120B
- ISO 9001:2015
- NIST SP800-171 Compliant
- ITAR Registered
- NAICS
  - 332912      541519
  - 334111      518210
  - 334118      541990
  - 334511      541618
  - 334515

## National Footprint

### National Coverage

Ensuring you have national support across all time zones, Dualos has strategically established offices to ensure customer satisfaction through rapid response via phone and face-to-face. December 2019 three Dualos customers reported on annual quality performance; Lockheed Martin - Excellent, Boeing – Gold, Raytheon - Exceptional

## Technical Subject Matter Expertise & Program Support

### Proven and Experienced

Dualos' staff is comprised of seasoned product managers, engineering disciplines in; mechanical, electrical, nuclear and systems. We deliver solutions and enhance platforms to improve situational awareness, mobility, interoperability, lethality, and survivability.

We have decades of combined program management experience within military, aerospace and government having full understanding the complexities that come with it.

### Quality & Accountability

- Robust ERM System
- QMS Structured
- AS9120/ISO9001:2015, Zero Defects/ No Minors
- Individual Program KPI's
- Supplier Score Management
- Root Cause Failure Analysis
- Full Accountability
- Quarterly Proactive Reporting

### Services

- SOW and Technical Specification Oversight
- Program/Project Management
- Mission Support
- Technical Guidance
- Integration
- Compliance Management, Flow Downs, Counterfeit Parts, Origin, CoC's, etc. Administration

## Dualos *Secure Quiet* Rugged Durabook Systems

Dualos Distributes all Durabook products for the Defense and Aerospace Commercial Sectors. All Dualos Secure Quiet System have Sunlight/Night Vision Multi-touch UHD Displays. The Secure Quiet, X14 and S14G systems are specific Dualos Durabook focus products. Other models are available upon request.

Dualos System	System	Usage Areas	Picture
<b>The X14 Secure Quiet Dualos Exclusive PCIE Portable I/O Test and Operational Station</b>	Extreme Rugged 14" Secure Quiet i7 systems with PCIE I/O, Data Bus, NVIDIA® GEFORCE® GTX1050 Graphics or RAID Server. Suitable for full sunlight and night vision applications. Fanless.	Mobile Lab Unit, Aircraft Recorder/ Analyzer, Ground Interface System, Extreme Rugged Applications. Lab, Sunlight or Night Vision environments.	
<b>The Z14I Secure Quiet System</b>	Extreme Rugged 14" Secure Quiet i7 systems with multiple ports for Ethernet, Displays, USB, PCMCIA, ExpressCard, SmartCard, DVD and more. Suitable for full sunlight and night vision applications. Fanless.	Extreme Rugged and Semi-rugged lab, field and aircraft applications Lab, Sunlight or Night Vision environments.	
<b>S14G Secure Quiet Advanced Semi-Rugged</b>	Advanced Semi-rugged 14" Secure Quiet i7 systems weighing in at 5lbs with numerous options, including multiple ports for Ethernet, Internal Drives, USB, PCMCIA, ExpressCard, SmartCard and more. Suitable for full sunlight and night vision applications. Fanless.	Semi-rugged lab, field and aircraft applications. Lab, Sunlight or Night Vision environments.	
<b>U11 Secure Quiet Tablet</b>	Extreme Rugged 11" Secure Quiet i7 tablet including Serial, Ethernet, USB, Display with options for PCMCIA, ExpressCard or other I/O. Suitable for full sunlight and night vision applications. Fanless.	Extreme Rugged Tablet for Analysis and Computing applications. Lab, Sunlight or Night Vision environments.	

## Rugged Durabook – Dualos *Secure Quiet* Application Solutions

All Dualos Secure Quiet Systems have Sunlight/Night Vision Multi-touch Displays. The following are Dualos Focus Application Systems.

Dualos System	System	Usage Areas	Picture
<b>BTPX – Master. Extreme Bus Master Analysis/Simulation Secure Quiet Solution</b>	The BTPX Master Systems supports the Analysis and Emulation of Mil-Std-1553, ARINC 664, ARINC 429, Ethernet, Serial, CAN and more.	Mobile Lab Unit, Aircraft Recorder/Analyzer, Ground Interface System, Extreme Rugged Applications. Lab, Sunlight or Night Vision environments.	
<b>BTPX, BTPZ, BTP1, BTPS Secure Quiet Data Bus Analysis Solution</b>	Supports Mil-Std-1553, ARINC 664, or ARINC 429 Analysis and Emulation in any one of the Durabook platforms using Abaco products.	Extreme Rugged and Semi-rugged lab, field and aircraft applications. Lab, Sunlight or Night Vision environments.	
<b>The X14 Secure Quiet Dualos Exclusive PCIE Portable I/O Test and Operational Solution</b>	Configurable, Integrated Solution for Customer specific applications including Test and Analysis for data bus and I/O, Portable RAID Server, AI, Graphics and Cyber Workstations, etc.	Extreme Rugged and Semi-rugged lab, field and aircraft applications. Lab, Sunlight or Night Vision environments.	
<b>S14G - Secure Quiet Graphics &amp; AI Workstation</b>	4-Core i7, 64GB, Multi-Terabyte SSD with NVIDIA® GEFORCE® GTX1050	Portable lab and Semi-rugged operations as Graphics, AI or Cyber Workstation. Lab, Sunlight or Night Vision environments.	
<b>U11 Secure Quiet Tablet</b>	Data Bus Analysis and I/O Expandable Tablet Applications via USB, PCMCIA, ExpressCard or Ethernet. Available with rugged keyboard.	Extreme Rugged Tablet and Computing applications. Lab, Sunlight or Night Vision environments.	

## TMSE Expertise

### Test, Measurement, Simulation & Emulation

Dualos is made up of industry aerospace, defense and government engineers and business development experts. The senior forward facing team each has a minimum of 20 years experience in instrumentation design, ATE layout, program and business management. Having twelve years of history and success, Dualos has track record of financial strength. The company has the financial strength to transact and manage opportunities up to \$100 million.

## TSME for Aerospace, Space & GSE

### TSME for New Designs, Upgrades & Health Monitoring

Dualos, along with our partners and Durabook, offer Test and Simulation solutions for Aerospace, Missile and Ground applications, both off-the-shelf and customized products. We have the knowledge and expertise of over 30 years of aerospace, space, missile, vehicle, ground support equipment, field and embedded applications whether for the lab, direct sunlight or night vision rugged environments.

From government and industry standardization to architectural design, we bring some of the best board level or complete system products and technical assistance to the marketplace.

## HUBZone and Outreach

### Community Dedication

The amount of time, energy and money Dualos and its employees give back to their communities is something we are very proud of. Our focus is to support high quality education in the areas of math, science and art.

Additionally, Dualos is active in many community outreach efforts across the county. Particularly in areas where there is extreme social economic challenges.

### Subject Matter Expertise

- 5G Wireless Communications
- Global Positioning
- Threats, Jamming, Cyber
- Electronic Warfare
- Satellite Communications
- Software Defined Radio
- Signal Intelligence
- RF & DSP Solutions
- Databus Test & Simulation
- Computing, I/O & Storage

### Subject Matter Expertise

- Avionics System Architecture
- TSME Product & System Design
- Health Monitor Systems
- Data Bus Application Design
- Rugged Environments
- Threats, Jamming, Cyber
- Electronic Warfare
- Satellite Communications
- Software Defined Radio
- Databus Test & Simulation
- I/O, AI, Graphic, Cyber & RAID

### Outreach

- American Indian Science and Engineering Society
- Cherokee Nation's Education Fund
- Federal Way Public Academy
- Fisher House Foundation - Dress for Success, Tacoma
- Saturday Share Food and Clothing, Charlotte
- Youth Ministry Charlotte
- Loaves & Fishes, Naperville, IL
- Media Arts Collaborative Charter School (MACCS) Albuquerque, NM
