Partner Program

Your success is our goal

DURABOOK has experienced year-over-year growth, enabling us to create more opportunity for our partners. Joining our Partner Program gives you a comprehensive set of marketing and technical benefits to help your business grow quickly and create competitive advantage.

Partner types personalized to you.

Partnership tiers are designed to provide a series of benefits.

Benefits at a Glance.

In addition to DURABOOK's cutting-edge innovation and proven technology, its partners also benefit from the following commitments:

- DURABOOK is 100% channel focused.
- DURABOOK has chosen to partner with a select group of partners, so you can be assured that our products won't be over-distributed.
- Our pricing structure is designed to provide a higher profit margin to our partners compared to our competitors.
- DURABOOK's extensive engineering and design capabilities mean partners can easily customize solutions to each customer's needs
- DURABOOK is committed to playing a constructive and fully supportive role in order for our partners to grow and generate leads (Benefits may differ by tiers):
 - ✓ Access to sales & marketing assets, training, technical support and events.
 - ✓ Dedicated access to partner portal to help you sell more.
 - ✓ Special promotions and incentive programs that help to drive more sales.
 - ✓ Get rewarded from deal registration with additional discounts.
 - ✓ Benefits from pre-qualified leads as additional revenue.
 - ✓ Profit from our marketing development funds to push your business further.

Program Benefits and Requirements.

Access to our benefits is tiered. Partners that build up expertise, register deals, and invest in the relationship with DURABOOK will progress to Elite and then to Platinum membership. That means even more functionality to empower your business! This table gives you a quick guide to the requirements and the types of benefits available to partners.
